HIGHLIGHTS

As at Jul 31, 2019 (published Aug 7, 2019)

- **Actively-managed** portfolio of Australian financial services companies
- **6.22%** yield paid **monthly**, supported by covered calls
- Australian financials have history of long-term outperformance vs. Canadian financials; Australian banks **outperformed Cdn banks** during the financial crisis
- Offers diversification, given **lower correlations with North American equities**
- Australia is forecast to be one of the fastest growing developed economies in 2019 at 2.2% and 2020 at 2.6% (vs. Canada at 1.5% and 1.8%)
- **100% currency hedged**

INVESTMENT OBJECTIVE

The investment objective of HFA is to seek long-term returns consisting of regular dividend income with modest long-term capital growth from an actively-managed equity portfolio comprised primarily of Australia-based financial services companies. These companies would include, but not be limited to, commercial and investment banks, insurance companies, brokerages, asset managers, exchanges, real estate investment trusts and other investment companies.
