Notice of Hamilton Enhanced U.S. Covered Call ETF's Special Meeting of Unitholders and Notice of Availability of Meeting Materials

NOTICE AND ACCESS

As permitted by the Canadian Securities Administrators we are using "Notice and Access" to deliver our Management Proxy Circular to our Unitholders for our Special Meeting (the "**Meeting**").

This means that instead of receiving a paper copy of the Management Proxy Circular (the "**Circular**"), you are receiving this notice, which provides information on how to access the Meeting materials online. You will also find below information on how to request paper copies of the Meeting materials, if you prefer.

Notice and Access allows us to reduce the volume of paper in the materials distributed for the Meeting, to potentially encourage a higher voting participation rate among unitholders, and to reduce our printing and mailing costs.

You will find enclosed with this notice, a form of proxy or voting instruction form, enabling you to vote at our Meeting.

BUSINESS OF THE MEETING

You can find more information about the matters to be considered at the Meeting under the "Purpose of the Meetings" section of the Circular. The Meeting is being held to consider and, if deemed appropriate, to (i) approve changes to the investment objectives of Hamilton Enhanced U.S. Covered Call ETF (the "**ETF**"), as further described in this Circular, and (ii) to transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

INDEPENDENT REVIEW COMMITTEE

The Independent Review Committee (the “IRC”) of the ETF has reviewed the potential conflict of interest matters related to the proposed change in investment objectives and has advised the manager of the ETF that, after reasonable inquiry, in the IRC’s opinion, the proposed changes, if implemented, would achieve a fair and reasonable result for the ETF. While the IRC has considered the proposed changes, it is not the role of the IRC to recommend that investors vote in favour of the proposed change in investment objectives. Investors should review the proposed changes applicable to them independently and make their own decisions.
