Hamilton Global Financials ETF

HAMILTON ETFS

Fund Objectives

The fund seeks to generate long-term returns from an actively managed equity portfolio consisting of long-term capital growth and dividend income by investing in financial services companies located around the globe.

Reasons to Invest in HFG

Exposure to the most **attractive themes and opportunities** in the global financials sector

Globally diversified portfolio with **holdings from over 15 countries**

Quarterly distributions

Commissions, management fees and expenses all may be associated with an investment in exchange traded products managed by Hamilton Capital Partners Inc. (the "Hamilton ETFs Products"). Hamilton ETFs Products are not guaranteed, their values change frequently and past performance may not be repeated. The prospectus contains important detailed information about the Hamilton ETFs Products. Please read the prospectus before investing.

Global Diversification

HFG's blue-chip portfolio is designed to provide low correlations to Canadian financials, while providing growth and income.
